Riverside Yacht Club is a family-oriented, neighborhood club that is busiest in the summer, with an active Junior Program, outdoor dining, and a full marina. Riverside Yacht Club has recently completed a full renovation of its clubhouse, increasing membership dining and expanding its casual dining, deck, and bar seating, as well as adding two new private dining spaces. The membership is very enthusiastic about the renovations, as reflected in the volume of à la carte dining as well as events hosted at the club.

This internship has a focus on food and beverage, as well as service, in à la carte dining as well as a wide variety of special functions. In addition to a concentration on service and membership interaction, the intern will have exposure to other departments (Front Desk, Kitchen, Accounting, Waterfront) to gain a deeper understanding of the entire operation. This internship is ideal for students who are looking for exposure to the hospitality industry or private clubs.

There is easy access from the club by train to New York City (40 minutes) and Stamford, Connecticut (10 minutes).
