---

**Wine donations for the CMAA Wine Society Auction will be accepted at the Chapter Social!**

How can you help? Below are few different ways of supporting this charitable cause:

- Your Club can make a donation from its cellar
- Ask your vendors for support
- A bottle or two from your own personal collection

The wine is judged by wholesale value of the bottles. We will focus on “**Quality not Quantity**” (*less is more*), therefore high end wines are appreciated, as well as unique and unusual wines, which can demand high prices, like signed bottles, small boutique or large formats.

**So please help out the CT chapter by making a donation.  
If we all do a little, a lot can be raised.**
