I'm thrilled to introduce North & West Coast Links as a new Silver Corporate Sponsor and to let you know that I'll be your local Connecticut-based partner.

We know you and your members love to travel for great golf. Imagine stepping onto the lush, historic links courses of Ireland, feeling the crisp coastal breeze as you tee off.

We're here to make that dream a reality, handling every detail. From arranging golf and tee times, seamless ground transportation, and cozy accommodations that fit your budget, to crafting unforgettable sightseeing and dining experiences.

And just when you thought it couldn't get better, in 2025, we can whisk you away to experience the magic of The Open Championship at Royal Portrush!
