CMAACT WEBINAR WEDNESDAYS

We know how busy you are...
THIS SUMMER WE ARE BRINGING THE EDUCATION TO YOU!

WEDNESDAY, JULY 12TH | 3PM CC TECH • SECURITY CAMERAS

*Learn how the latest technology might
be the perfect fit for your club*

*Noel Wixsom
Principal & Founder*

- Shopping? What features should an IP security camera software have?
- Ability to investigate video based on "key words" like blue dress, or red car
- Find out how to filter out movement other than people or cars
- Build a "security aware" team
